Reading

Word Reading

- apply phonic knowledge and skills as the route to decode words
- respond speedily with the correct sound to graphemes (letters or groups of letters) for all 40+ phonemes, including, where applicable, alternative sounds for graphemes
 - read accurately by blending sounds in unfamiliar words containing GPCs that have been taught
- read common exception words, noting unusual correspondences between spelling and sound and where these occur in the word
 - read words containing taught GPCs and –s, –es, –ing, –ed, –er and –est endings
- read other words of more than one syllable that contain taught GPCs
- read words with contractions, e.g. I'm, I'll, we'll, and understand that the apostrophe represents the omitted letter(s)
- read aloud accurately books that are consistent with their developing phonic knowledge and that do not require them to use other strategies to work out words
- re-read these books to build up their fluency and confidence in word reading

Comprehension

- develop pleasure in reading, motivation to read, vocabulary and understanding by:
- listening to and discussing a wide range of poems, stories and non-fiction at a level beyond that at which they can read independently
 - being encouraged to link what they read or hear read to their own experiences
 - becoming very familiar with key stories, fairy stories and traditional tales, retelling them and considering their particular characteristics
 - recognising and joining in with predictable phrases
 - learning to appreciate rhymes and poems, and to recite some by heart
 - discussing word meanings, linking new meanings to those already known
 - understand both the books they can already read accurately and fluently and those they listen to by:
 - drawing on what they already know or on background information and vocabulary provided by the teacher
 - checking that the text makes sense to them as they read and correcting inaccurate reading
 - discussing the significance of the title and events
 - making inferences on the basis of what is being said and done
 - predicting what might happen on the basis of what has been read so far
 - participate in discussion about what is read to them, taking turns and listening to what others say
 - explain clearly their understanding of what is read to them.

KS4-

English has a pre-eminent place in education and in society. A high-quality education in English will teach pupils to speak and write fluently so that they can **communicate their ideas and emotions to others** and through their reading and listening, others can communicate with them. Through reading in particular, pupils have a chance to develop culturally, emotionally, intellectually, socially and spiritually. Literature, especially, plays a key role in such development. Reading also enables pupils both to acquire knowledge and to build on what they already know. All the skills of language are essential to participating fully as a member of society; pupils, therefore, who do not learn to speak, read and write fluently and confidently are effectively disenfranchised.

Speaking and Listening

speak confidently, audibly and effectively, including through:

using Standard English when the context and audience require it

working effectively in groups of different sizes and taking on required roles, including leading and managing discussions, involving others productively, reviewing and summarising, and contributing to meeting goals/deadlines

listening to and building on the contributions of others, asking questions to clarify and inform, and challenging courteously when necessary

planning for different purposes and audiences, including selecting and organising information and ideas effectively and persuasively for formal spoken presentations and debates

listening and responding in a variety of different contexts, both formal and informal, and evaluating content, viewpoints, evidence and aspects of presentation

improvising, rehearsing and performing play scripts and poetry in order to generate language and discuss language use and meaning, using role, intonation, tone, volume, mood, silence, stillness and action to add impact

Reading

Reading at key stage 4 should be wide, varied and challenging. Pupils should be expected to read whole books, to read in depth and to read for pleasure and information.

read and appreciate the depth and power of the English literary heritage through:

reading a wide range of high-quality, challenging, classic literature and extended literary non-fiction, such as essays, reviews and journalism. This writing should include whole texts. The range will include:

at least one play by Shakespeare

works from the 19th, 20th and 21st centuries

poetry since 1789, including representative Romantic poetry

re-reading literature and other writing as a basis for making comparisons

choosing and reading books independently for challenge, interest and enjoyment

understand and critically evaluate texts through:

reading in different ways for different purposes, summarising and synthesising ideas and information, and evaluating their usefulness for particular purposes

drawing on knowledge of the purpose, audience for and context of the writing, including its social, historical and cultural context and the literary tradition to which it belongs, to inform evaluation

identifying and interpreting themes, ideas and information

exploring aspects of plot, characterisation, events and settings, the relationships between them and their effects

seeking evidence in the text to support a point of view, including justifying inferences with evidence

distinguishing between statements that are supported by evidence and those that are not, and identifying bias and misuse of evidence

analysing a writer's choice of vocabulary, form, grammatical and structural features, and evaluating their effectiveness and impact

making critical comparisons, referring to the contexts, themes, characterisation, style and literary quality of texts, and drawing on knowledge and skills from wider reading

make an informed personal response, recognising that other responses to a text are possible and evaluating these
